

The 7th International Conference on Metal Material Processes and Manufacturing

November 20-22, 2025 | Jeju Island, South Korea

It is our great pleasure to invite you to join 2025 the International Conference on Metal Material Processes and Manufacturing (ICMMPM 2025) which will be held on **November 20-22, 2025** in **Jeju Island, South Korea**.

The conference aims to strengthen the exchange of material processing and manufacturing technologies from all over the world and to show the latest research progress in the field of advanced materials and manufacturing in the world, especially metal materials. To provide a high-level technical exchange platform for experts, scholars, scientists, entrepreneurs, and other related personnel engaged in metal materials processing and manufacturing research at home and abroad, and to jointly promote the continuous development and innovation in the field of international materials processing and manufacturing.

We look forward to welcoming you to Jeju Island, South Korea in November 2025. We believe that you will greatly enjoy this major scientific event.

Call For Papers

Topics of interest for submission include, but are **not limited to**:

T1: Metal Alloy Materials

- Metal Forming Technology
- Fashioning Metal Parts and Objects
- Commercial Metal Forming
- Technology of Metals
- Production of Metals

T2: New Materials and Properties

- Polymer for Nanotechnology
- Inorganic Polymer Chemistry
- Polymer Physics and Engineering
- Polymetric Materials
- Magnetic Materials

T3: Metallurgical Foundation and Technology

- Forming Processes
- Machining Processes
- Plastic Deformation
- Combined Tensile and Compressive Forming
- Thermal Spraying

T4: Manufacturing Engineering

- Precision Manufacturing and Measurement
- Green Manufacturing
- Recycling and Remanufacturing
- Reverse Engineering
- Integrated Manufacturing System

Publication

Papers submitted to ICMMPM 2025 will be reviewed by technical committees of the conference. All accepted and registered papers will be published in the Conference Proceedings. And the press will submit all papers to major databases such as **El Compindex**, **Scopus** and Scholar.

All submitted articles should be original and unpublished, acceptance will be based on quality, relevance and originality. Any act of plagiarism is strictly forbidden, we resolutely opposes it.

Submit Now

The all papers should be submitted using the submission system provided by OpenConf system or Email.

1. Submit by system:
